Position : Assistant Professor

Phone : +886-2-2908-9899 Ext. 5224

E-Mail : wenlai@mail.mcut.edu.tw

Education : Ph.D.,

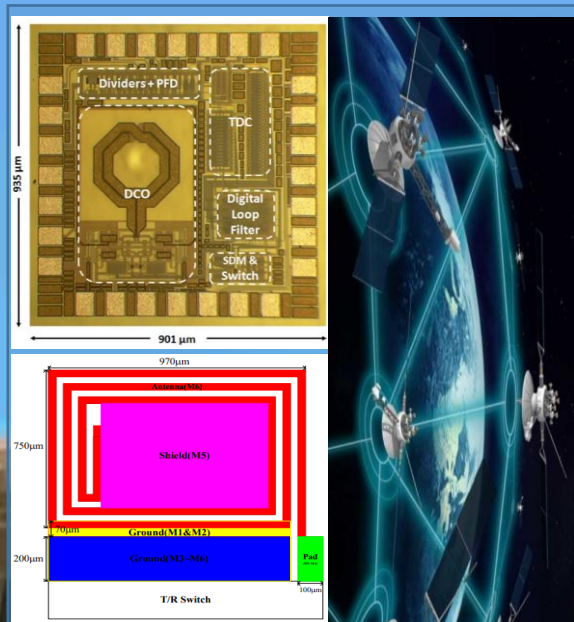

National Taiwan University of Science and Technology

Research : Analog RF Microwave Millimeter-wave IC Design

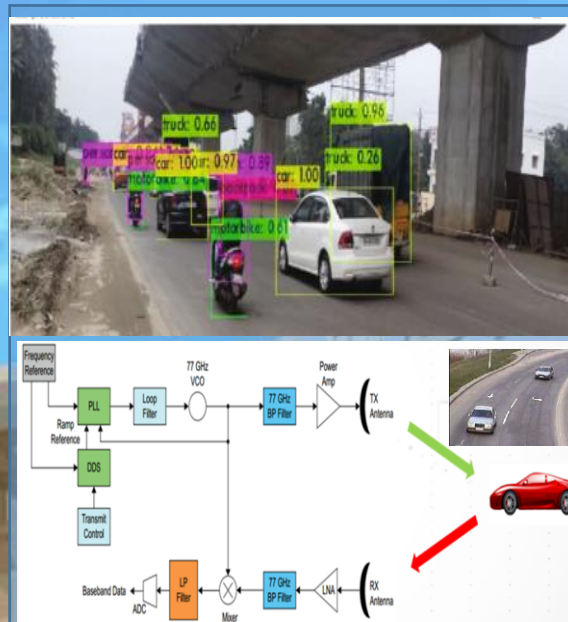

Artificial Intelligence

EMI/ EMC Antenna and Biomedical

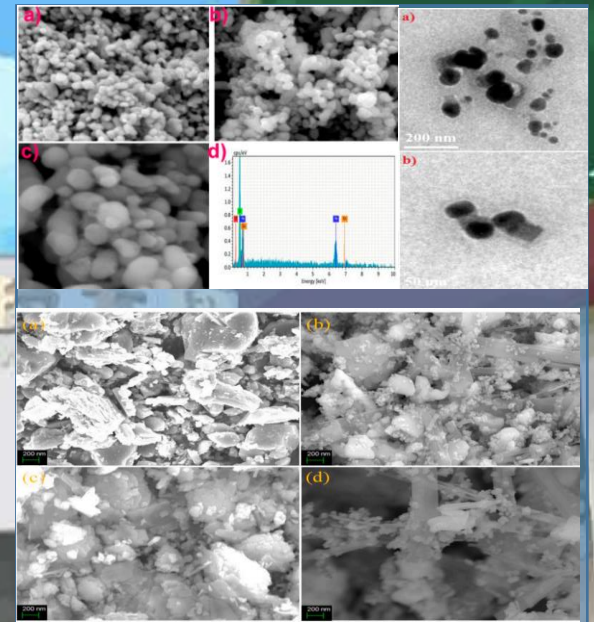

MEMS and Advanced Materials

無線通訊晶片與天線電磁設計

人工智慧聯網載具

奈米粒子與先進材料研究

Industry-Academia Cooperation Project :

- U01112E017 B5G communication payload engineering version (EM) printed circuit design specifications and quality inspection
- O01112E055 Smart Electromechanical Integration
- O01112E064 Communication and Sensing Module
- O01112E084 Smart Vehicle Integration
